To

Mirza M Ismail, Esq , B A , O B E , C I E ,
Dewan of Mysore, Bangalore

Respected Sir,

With reference to the information that appeared in the columns of News Papers that Government of His Highness the Maharaja of Mysore have contributed a - donation towards charity of Rs 15,000/- in addition to Rs 8,000/- donated by Lokasevaniratha Mr Ambale Annaiya Panditar of Mysore, for purposes of affording facilities and creating conveniences to all classes of visitors to Mysore from different parts of - India during the Dusserah and the Birth-Day festivities, I beg to submit the following few lines for - favour of needful consideration -

1 I have a bungalow, wherein I have now been residing, which is situate in the Old Post Office - Road, just right opposite to the late Dewan Sir P N Krishna Murthi's "Yelardur House" and in the middle of the town, being also very near to the Palace, the Town Hall, Market &c

2 My bungalow is fitted with electric lights and water taps, there is a sweet-water well also in it As it now stands it freely accommodates and afford shelter to more than five hundred persons

The

The vacant space,measuring about four thousand - feet in extent, in front of the bungalow, if at - once covered with a shed or a thatched roof, will alone immediately afford shelter to over thousand persons There is also, on either side of the - bungalow additional vacant space of about three to three and a half thousand feet in extent wherein - also there are sweet water wells, this latterly mentioned space alone accommodates about three to four thousand people

3 It is submitted that your honour will - kindly see that this place is best fitted to answer the purposes of the donor and the Government My bungalow, if lent out for rent, would easily fetch a rent of Rs 125/- per mensem The enclosed copy discloses that Government alone have once before - been pleased to offer Rs 200/- rent per mensem for it

4 Your honour might graciously be pleased to appear in person on the site and inspect the - bungalow, inside and outside as well, and to thus get satisfied at the truth of the statement hereinabove made The Government might further be - kindly disposed to direct an estimate being taken properly on the construction of the said bungalow, in addition the vacant sites be got reasonably - valued Out of the two vacant spaces, one on each side of the bungalow, reserving the space on one - side which faces the High Road, the rest might be taken over by Government for the estimated and - valued prices

5 The undersigned is willing to part with his bungalow, excepting, as abovesaid, - the vacant site facing the High Road, for a - reasonable sum of Rs 35,000/-

6 I have to pay Government a sum of Rs 5,000/-, this sum might kindly be deducted from out of the said sum

7 Should this idea appeal to the Government to be quite feasible, the desires of Mr - Anniah Pandit and of Government will be fructified

8 I am ready and quite willing to deliver possession of the bungalow as soon as I am made known of the intention of the benign Government in the matter

9 Thanking you in anticipation of hearing from you favourably in the matter early,

I beg to remain,
Respected Sir,
Your most obedient servant,
